

St Mary's Tennis Club is a part of the charity St Mary's Sports Ground, which was set up in approximately 1928/29 following the gift of the land by Mr Musgrave. The charity's purpose is to be available to the local community for recreation.

St Mary's is a tennis club run by a committee of members who would like to make tennis accessible to all. Our mission is to open the club to tennis enthusiasts, new tennis players and to the wider community for recreation.

St Mary's was awarded a grant from Sport England in 2012 to improve its facilities and continue the Olympic spirit and encourage more people to get active and enjoy sport and leisure.

We are passionately committed to helping people enjoy life through the physical, mental, and social benefits of fitness and tennis. St. Mary's is your tennis club!

Your Community Tennis
Club at the heart of
parkland Isleworth

Your Community Tennis Club with real European clay courts

St. Mary's Tennis Club has three European clay courts and an extended clubhouse with changing facilities and a fully equipped kitchen. In addition, we offer table tennis, and have ample green space for our visitors to watch tennis, for parties or functions.

The real clay is affected by prolonged frosts, which can prevent play in the winter. However, there are real benefits: long rallies, good for all standards of play, kind to joints.

Playing at St. Mary's

Our 2023-24 **adult** membership is **£195 from 1 April**, with children under 18 and living at the same address, free. **Additional adults** at the same address: £55; **students** £105; **juniors** £50. A **'Chaperone'** membership of £25 is available for an adult with a paying junior, enabling the adult to book courts and play with that junior only. There are no other charges, other than **guest** fees of £5 (a person is allowed to play up to 3 times in one subscription year)

If you are new to tennis, or you have never played on clay courts before, you are welcome to come and play. Give us a call to arrange a free taster.

Clubhouse Hire

£35 per hour

Why become a member?

St Mary's Tennis Club is much more than just a tennis club, it's your community club. As a member, you will have access to the courts and club house and to reduced fees for venue hire, also to the court booking system. You'll be able to have fun, keep fit and meet new people, as well as join the club's managed play doubles sessions.

Also, you could play in the teams and competitions. As a club member, you can be a part of British Tennis for free. You will also have an opportunity to be a part of a wider community in touch with its local residents for recreation and leisure activities. We welcome ideas to develop these links further. If you have any ideas, get in touch.
