

## Caring for the clay courts

Please protect the courts by wearing shoes with appropriate soles, dragging the surface after each set, watering them before you play in dry weather and not using them if the surface is soft or wet.

Fair Play is an essential value in tennis. We are committed to ensuring that tennis is played in a fair, open and inclusive nature at all levels. Fair Play includes:

- Good sportsmanship: honesty and respect whether you win or lose
- Learning to challenge yourself and improve social skills
- Taking responsibility for your actions, calling scores and lines clearly and fairly, even if it costs you the point
- Learning and following the rules and being a role model to younger people
- Enjoyment of the sport

**It is important for everyone to uphold Fair Play both on and off court whether it be players, parents, coaches, officials or volunteers.**

**Court bookings:** the club uses ClubSpark. All courts should be booked before play, apart from the club's social sessions which are prebooked.

**Shoe tag ID:** please bring this with you to the club as proof of membership, whenever you play tennis.

The Tennis Club is a part of the charity “**St Mary's Sports Ground**”. This covers the tennis courts, the pavilion and grassed area and approximately half the field that goes down to the railway line. The other half of the field belongs to the Isleworthians.

The charity was set up in approximately 1928/29 following the gift of the land by Mr. Musgrave. The charity's purpose is to make this available to the local community for recreation.

All members have access to the Sports Ground. They are also able to hire the pavilion and grassed area for small functions at reduced rates.

**Guest fee:** £10, adult; £2, child. A guest may play up to three times in a year. Members are responsible for paying this by BACS **before going on court and emailing the guest's name to the club's email address**
